

An Invitation for a Girl's Party

v12198

The invitation and the table decoration are made from card and beads. The little hanger is made from silver-plated wire and compliments the small dress perfectly.

Comment faire

1 Cut out the dress, the collar and the petticoat from the template in matching colours.

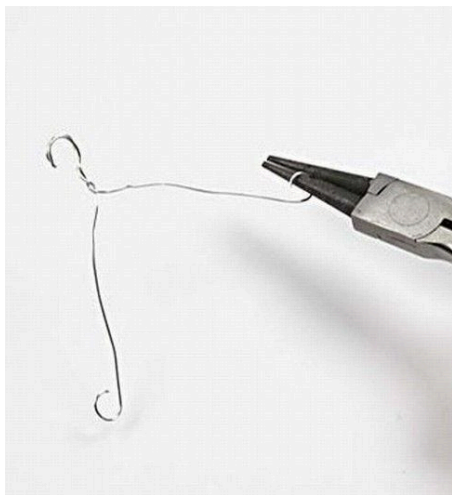

2 Assemble the parts with double-sided adhesive tape and 3D foam pads.

3 Attach a ribbon around the waist of the dress and fasten it on the back. For the bow, cut a piece of ribbon measuring approx. 20cm, tie the bow and attach it to the belt with a 3D foam pad. Trim the ends. Decorate the small collar with self-adhesive rhinestone half-pearls.

4 Cut a piece of silver-plated wire for the hanger. Double over the wire and twist a couple of times and form it. Bend the ends to form a small loop.

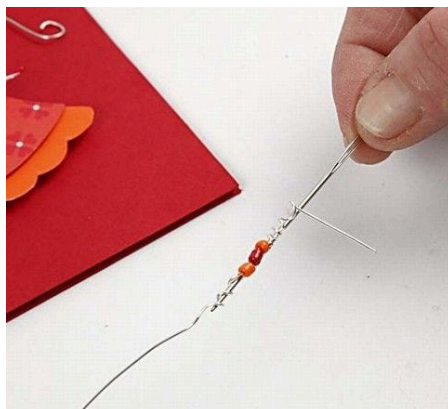

5 Attach the hanger onto the card. Attach 3D foam pads and attach the hanger with another two 3D foam pads.

6 Attach the dress to the hanger with 3D foam pads. Use two 3D foam pads on top of each other to achieve the same height as the hanger.

7 Make a small border and attach it to the card with double-sided adhesive tape.

8 For the bead coil, cut a piece of wire measuring 20cm. Pull beads onto the wire and twist the wire around a darning needle.

9 Push a hole through the card and attach the bead coil.

10 Cut a piece of paper. Attach the paper over the wire ends on the back with double-sided adhesive tape.

13 Place Cards: Cut a piece of silver-plated wire measuring 25cm. Twist to form a small loop at the end. Pull seven red and seventy orange beads onto the wire.

14 Bend the flower head around the silver-plated wire.

15 Form the petals and close the flower.

16 Pull a bead onto the end of the silver-plated wire.

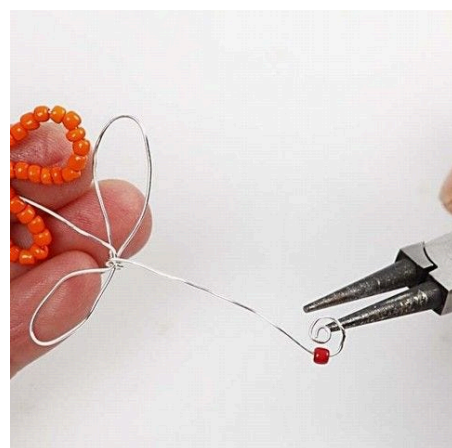

17 Cut a new piece of silver-plated wire and twist it around the stalk.

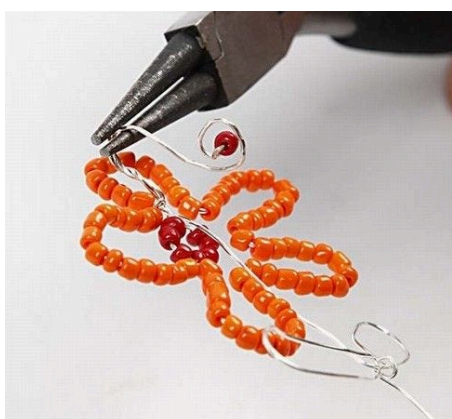

18 Form the leaves.

19 Twist the wire around the leaves.

20 Pull a bead onto the end of the wire and bend to form a coil.

21 Bend to form a hook for hanging onto the glass.

22 Cut a piece of card for the place card which is attached onto the flower stalk with double-sided adhesive tape.

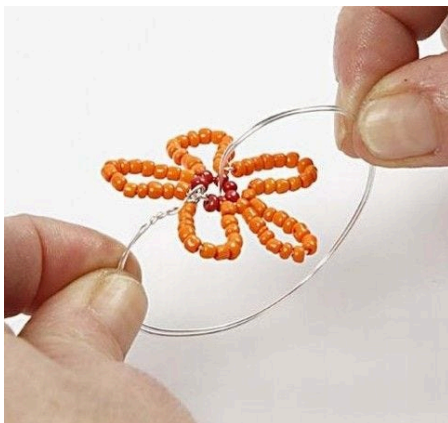

23 A place card.

24 A Napkin Ring: Make a flower following the same procedure as for the place card. Feed a 30cm long piece of wire through the middle of the flower, double over and twist.

25 Bend the wire to a suitable size. Feed the wire through the middle of the flower.

26 Twist the wire around the ring.

27 The finished napkin ring.
