

## Bracelets from two Shoe Laces

v12183

Funky and colourful bracelets braided with two shoe laces and finished with lovely Toggle Clasps with rhinestones.

### *Comment faire*

**1** Place a round jump ring (with the round clasp attached) around two shoe laces.

**2** Attach the round clasps to the macramé board and spread out the four shoe lace ends.

**3** Start braiding by placing lace number four over number three and two.

**4** Then under number two.

**5** Tighten the lace.

**6** Place the first lace over lace number two and three and then under number three.

**7** Tighten the lace again by braiding two to each side. Continue until approx. 8cm remain.

**8** Finish with a knot.

**9** Now attach the other part of the toggle clasp onto a round jump ring which is then attached to the knot.
