

A Funky and Colourful Key Hanger

v12181

A trendy key hanger made from shoe laces

Comment faire

1 Pull the swivel clasp onto the shoe lace.

2 Place the shoe lace ends over each other and place the second shoe lace across.

3 Braid the shoe lace and stop approx. 5cm before the swivel clasp.

4 Turn the key hanger over and twist one end of the shoe lace around the braiding.

5 Push the ends underneath and pull.
