

Cuddly Toys

v12147

Fun sock puppets – very cuddly. The eyes and the ears are made from Silk Clay and sewn on. The hair and mane are made from acrylic yarn and the sock is stuffed with polyester wadding.

Comment faire

1 Fill the sock with polyester wadding and tie a knot at the end. Cut notches for the "tail".

2 Now shape the cuddly toy with a darning needle threaded with acrylic yarn.

3 Sew or glue the eyes, snout and teeth onto the sock.

4 Wrap yarn for hair around your hand and sew the hair onto the sock using a darning needle threaded with acrylic yarn.
