

## Art Tiles with Prints

v12127

An art tile painted with black Ceramic Paint with a white foot print in Plus Color. Or just a hand print onto a white tile with black ceramic paint. Write a text with white/black glass and porcelain marker pens.

### *Comment faire*

**1** Black tile: Paint the art tile with black ceramic paint. Let it dry.

**2.** Make imprints of feet or hands with white Plus Color.

**3.** Write the child's name with a white glass and porcelain marker.

**4.** White tile: Make a foot or hand print directly on the art tile with black ceramic paint. Let it dry. Write the child's name with a black glass and porcelain contour marker.
