

Christmas decorated Lanterns

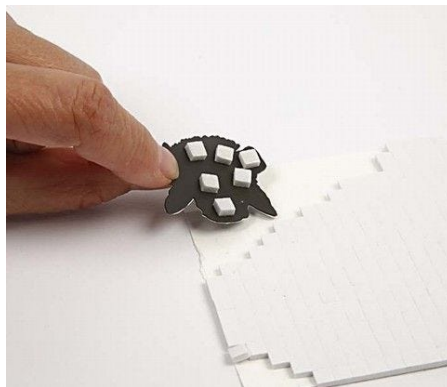

v12118

The lantern is decorated with rub-on lace designs, metal angels and flower ribbon.

Comment faire

1. Cut out the rub-on design from the sheet and place it on the cleaned glass plate. First rub with the lolly-stick to transfer the design.

2. Attach 3D foam pads (3mm) onto the back of the metal angel.

3. Attach the angel to the lantern.

4. Cut off flowers from the flower ribbon.

5. Attach the flowers with 3D foam pads (1mm).
