

Christmas Cards and Tags made from Card and Felt

v12116

The cards and tags are made from card and decorated with designs from felt. The shape cutters are used as templates and the various parts are glued together with a glue stick.

Comment faire

1. Cut two different sizes of tags using the template.

2. Use a shape cutter as a template – for card and for felt.

3. The parts are easily glued together with a glue stick.

4. Decorate with rhinestones and matching decorative ribbon.
