

A Bracelet made from Wool Beads

v12085

The bracelet is made from wool beads, glass charm beads, porcelain beads and a silver plated ball. All beads are threaded onto a beading wire. The clasp is a silver ring clasp.

Comment faire

1. Attach an inter-locking 2-part ring clasp. Close with a crimp bead.

2. Pull beads onto the wire. Use a darling needle for the wool beads.

3. Close the bracelet in the same way as it was started.
