

Tablecloths from Vivi Gade Fabric

v12076

A table runner and a tablecloth are sewn from Vivi Gade fabric from the Copenhagen series. Decorated with a lovely lace.

Comment faire

1 For the table runner cut to a desired length: 1 piece measuring 23cm, two pieces each measuring 12cm and two pieces each measuring 6cm.

2 Cut the same sizes from vlieseline minus 1cm in each side. Iron onto the fabric.

3 Sew all lengths together with 1cm seam.

4 Sew the lace onto each side of the centre piece of fabric.

5 Cut another piece of fabric with the same measurement as the sewn pieces of fabric. Sew together, right side against right side with a 1cm seam all the way around. Leave an opening for turning the cloth inside out. Sew the opening together with back stitches. Iron the table runner.

6 Fold in 1cm of the edges of the tablecloth and iron to fix (you may use the sewing machine to sew over lock stitches beforehand). Sew on the lace.
