

Card Angels

v12497

These angels are made from coloured card and are decorated with details punched out with a micro paper punch. With glued on cotton head, wings and cotton yarn hair.

Comment faire

1 Cut out the body/dress from card using the template. Punch out a hole pattern in one. Glue the punched-out details onto the other. Glue the cone together with power tape. Glue on the head, hair and wings using a glue gun. Cut out a halo from card and glue it on.
