

Poppy Bunting

v12494

Make summer streamers from felt and decorate them with napkins which are glued on with A-color Allround medium glue lacquer.

Comment faire

1. Apply a thin yet covering layer of A-color Allround medium glue lacquer to the felt using a brush.

2. Attach the outer thin layer with the design onto the felt and gently apply another layer of A-color Allround medium glue lacquer. Let it dry.

3. Cut streamers using the template.

4. Attach the top end of the streamers around a piece of flax twine using a glue gun.
