

Flower Baskets

v12493

Small baskets with flowers made from tissue paper punched out on the Big Shot machine and assembled with floral wire and a bead.

Comment faire

1. Double over several sheets of tissue paper and place them in the Big Shot machine and punch out all the parts of the flower.

2. Pull a bead onto a piece of floral wire and twist it to form a long stem.

3. Assemble the tissue paper flowers onto the stem.

4. Insert the flowers into a piece of oasis which has been attached into the basket with a glue gun. Finally attach the small lovely dragonfly.
