

Earrings with Feathers and Beads

v12475

These Nature inspired earrings are composed of metal feathers, beads, Indian Beads and guinea fowl feathers. The parts are assembled on a French Ear Wire.

Comment faire

1. Glue a guinea fowl feather into an end cap.

2. Attach the metal feather and the guinea fowl feather (in an end cap) with a round jump ring onto an eye pin.

3. Put beads onto the eye pin.

4. Nip off the excess of the eye pin and twist to form a loop.

5. Attach the eye pin to the French Ear Wire.

6 See another variant.
