

Greeting Cards in warm Colours

v12465

Ribbons with double-sided adhesive tape are attached to greeting cards. Wood stickers and felt decorations are attached with 3D foam pads. The dots are made with a Paper Pen.

Comment faire

1. Attach the ribbon onto the front and back of the greeting card using double-sided adhesive tape, ensuring that the card can still be opened. Tie a bow.

2. Attach wood stickers and felt decoration onto the card with thin 3D foam pads.

3. Decorate with pearls made with a Paper Pen.
