

## A Wooden Tray with Wooden Discs

v12460

The small wooden serving tray is painted with black Plus Color Craft Paint and covered on the sides with small wooden discs. A piece of cork is cut to size. Glue the cork inside base of the tray.

### *Comment faire*

**1.** Paint the tray with black Plus Color Craft Paint.

**2.** Cut a sheet of cork to fit the inside of the tray. Place it inside the tray.

**3.** Glue wooden discs onto the outside of the tray for decoration using mounting glue.
