

## A Two-piece Cone Box is turned into a Pixie

v12447

A papier-mâché cone box is painted with A-Color matt paint and decorated with sprinkled glitter and sequins attached with glue lacquer. The eyes, mouth etc. are made from Silk Clay modeling Clay.

### *Comment faire*

**1.** Paint the papier-mâché cone box with A-Color matt paint.

**2.** Apply glue lacquer to the front of the box with a brush and sprinkle sequins and glitter.

**3.** Roll Silk Clay into balls for the eyes and the nose.

**4.** Press the eyes and the nose onto the bottom part of the box.

**5.** Press the Silk Clay flat and cut out nodges for the beard and press this firmly underneath the nose.
