

Plastic Christmas Baubles with Tissue Paper

v12446

A plastic Christmas bauble decorated with torn pieces of tissue paper attached with A-color Allround medium glue lacquer. A coat of A-Color glitter paint is applied on top and a pipe cleaner with faceted beads attached on top for hanging.

Comment faire

1. Tear small pieces of decoupage paper and tissue paper. Apply a coat of A-color Allround medium glue lacquer to the bauble and attach the small pieces of paper.

2. Apply a coat of A-Color glitter paint.

3. Put a pipe cleaner through the loop at the top and thread faceted beads onto the pipe cleaner and then twist to form a large loop.
