

Flower Pots with Pine Cones

v12445

A pine cone is decorated with structure paste and sprinkled with glitter and a bit of moss added. The flower pots are painted with A-Color matt paint and decorated with star aniseed which are painted with gold A-Color Metallic Paint.

Comment faire

1. Apply structure paste to the pine cone.

2. Sprinkle transparent glitter onto the wet structure paste.

3. Paint the flower pot with matt A-Color paint.

4. Paint the star aniseed with gold A-Color Metallic Paint.

5. Attach the star aniseed onto the flower pot with a glue gun.

6. Add moss into the pine cone's cracks.
