

## A Wood Icon Plate with Nails

v12425

Paint a wood icon plate with Plus Color Craft Paint. Nails are hammered into the pencil line and provide a 3D relief-like effect. You may choose to paint the heads of the nails.

### *Comment faire*

**1.** Paint the icon with Plus Color Craft Paint.

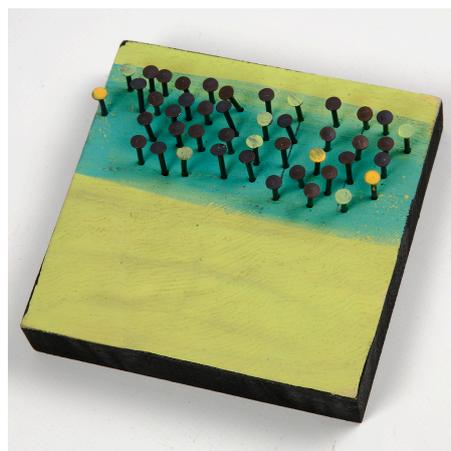

**2.** Draw a design with a pencil.

**3.** Hammer the nails into the pencil line following the design.

**4.** Paint the edges of the icon with black Plus Color Craft Paint.

**5.** You may choose to decorate the head of the nails.
