

Candle Holders decorated in Tiffany Style

v12388

Candle holders decorated with Glass Effect water-based paint.

Comment faire

1. Print a template and attach it to the inside of the glass.

2. Draw the outline of the design onto the glass using Transfer Glass Color, black contour. Let it dry.

3. Fill in the areas with Glass Effect water-based paint. Let it dry for 24 hours. Harden the glass in a household oven at 160 degrees for approx. 20 min.
