

A Papier-Mâché Elephant covered with Ferro Acrylic Paint

v12354

This papier-mâché elephant is painted with Ferro acrylic paint and then decorated with broken mirror mosaic tiles and small rhinestones.

Comment faire

1. Use a brush to apply a coat of A-color Allround medium glue lacquer onto the elephant and let it dry.

2. Apply Ferro Acrylic Paint onto the elephant using a spatula.

3. Glue broken mirror mosaic tiles onto the elephant using Dana Super Hobby Glue.

4. Glue small rhinestones onto the elephant with Dana Super Hobby Glue.
