

A Christmas Card with Vivi Gade Design

v12805

Decorative paper, self-adhesive rhinestone half-pearls etc. are attached to a blank greeting card (all from the Vivi Gade Design series) using 3D foam pads and an E-Z runner which is a dispenser with double-sided adhesive pre-cut strips. The peg is decorated with Vivi Gade Design patterned tape.

Comment faire

1. Cut a piece of design paper measuring 7.5 x 6cm. Attach it to the greeting card with E-Z runner.

2. Attach self-adhesive rhinestone half-pearls over the joint.

3. Cut a circle from red card and attach it to the greeting card with E-Z runner.

4. Cut out a pattern and attach it using E-Z runner. Finish with a self-adhesive rhinestone half-pearl at the top.

5. Decorate the peg for hanging with self-adhesive patterned tape.
