

A Christmas Card with Vivi Gade Design

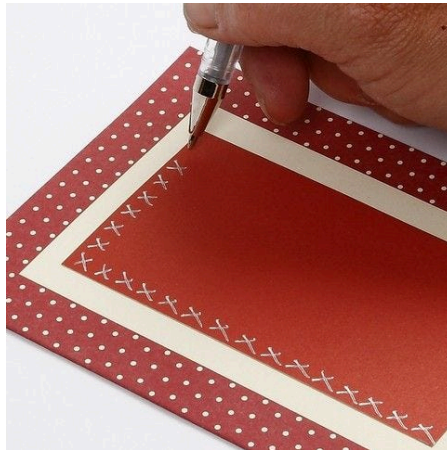

v12804

Decorative ribbons and self-adhesive wooden stickers are attached to a blank greeting card (all from the Vivi Gade Design series) using an E-Z runner which is a dispenser with double-sided adhesive pre-cut strips.

Comment faire

1. Cut a piece of red card measuring 5.5 x 10.5cm. Attach this to the greeting card using E-Z runner.

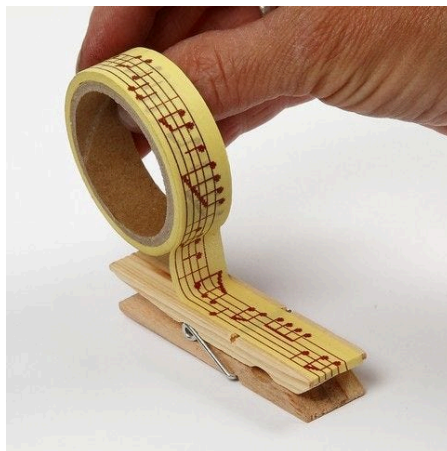

2. Use a gel pen for drawing a cross stitch pattern along the edges of the red piece of card.

3. Cut a piece of decorative ribbon measuring 12cm. Attach this to the card using E-Z runner.

4. Finally attach the self-adhesive wooden stickers to the card.

5. Decorate the peg for hanging with self-adhesive masking tape.
