

## A Vivi Gade Design Vintage Greeting Card

v12797

Vivi Gade design paper and decorative gift tags are attached to a double blank greeting card using double-sided adhesive tape and 3D foam pads. Then decorate the greeting card with decorative ribbon, a peg, patterned tape and self-adhesive rhinestone half-pearls.

### *Comment faire*

**1.** Cut a strip of Vivi Gade design paper (the Skagen series) and attach it to the greeting card using double-sided adhesive tape.

**2.** Cut out an angel motif from the design paper.

**3.** Attach the motif onto a decorative gift tag using double-sided adhesive tape.

**4.** Attach small self-adhesive rhinestone half-pearls around the edge.

**5.** Insert a piece of ribbon through the hole of the gift tag and attach it with a peg.

**6.** Attach the gift tag onto the greeting card using 3D foam pads.

**7.** Attach a piece of patterned tape onto the greeting card for decoration.
