

## Glass with Frosted Paint

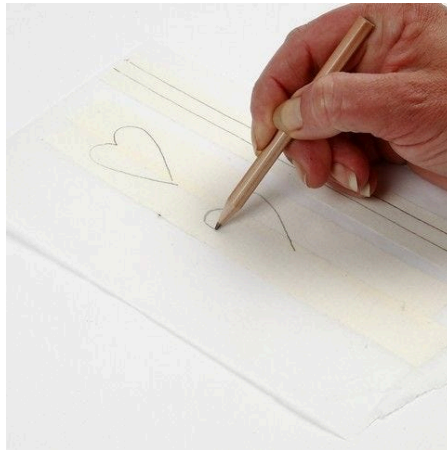

v12781

A candle holder is decorated with glass frost and small dots made with a Pearl Pen.

### *Comment faire*

**1.** Attach masking tape onto a piece of baking paper.

**2.** Draw a design on the masking tape and cut it out.

**3.** Place the cut-out masking tape onto the candle holder.

**4.** Dab Glass Frosted paint onto the candle holder and remove the masking tape before the glass frosted paint dries.

**5.** Make dots on the candle holder in a random pattern using Pearl Pens.
