

A Card with Reindeer

v1277

A card with reindeer glued onto a piece of pearlescent paper. Snow flakes are punched out with a paper punch set.

Comment faire

1 Cut a piece of pearlescent paper measuring 7x11cm.

2 Attach this onto the card using double-sided adhesive tape.

3 Attach the reindeer to the pearlescent paper using double-sided adhesive tape.

4 Punch out some snow flakes with the paper punch (the 2 smallest sizes).

5 Attach the snow flakes to the card randomly with double-sided adhesive tape. Let some of the snow flakes overlap the edge of the card.

6 Trim the edges, so that nothing protrudes.

7 Finally, write text with a brown marker pen, and make a line along the edge on the white paper.
