

Cone Pixies

v12749

Nisser er lavet af kegler og styroporkugler, malet med mat A-color hobbymaling. Efterfølgende er de dekoreret med pailletter og glimmer. These pixies are made from cones and polystyrene balls and painted with matt A-color paint. They are then decorated with sequins and glitter.

Comment faire

1. Paint the cone and hat with matt A-color paint and sprinkle with glitter fibres.

2. Snip off the tip and insert a golf tee in the hole. Glue the head on with a glue gun.

3. Wind pipe cleaners around the cone.

4. Glue on sequins with a glue gun.

5 An alternative version.
