

## Click Ornaments to paint yourself

v12744

These Click Ornaments (paper strips with prepared folds) have been decorated with A-color metallic paint and then assembled into a bauble as shown. Children aged 10 and above can fold the baubles.

### *Comment faire*

**1** Paint the Click Ornament strips with A-color metallic paint. Use a foam brush to make dots and a stick to scratch the wet paint.

**2** Weave the strips together to make the bauble. (See instructions on the packaging).

**3** Finish the bauble by weaving the strips together (see instructions) and then "pinching" at the prepared folds.

**4** Thread beads onto a ribbon, stick onto the Click Ornament and use as a hanger.
