

A Cone

v12698

Cut out motifs from Vivi Gade Design decoupage paper and attach these to punched-out cones. Decorate the cones with glitter and a wooden button with a tied-on piece of natural hemp.

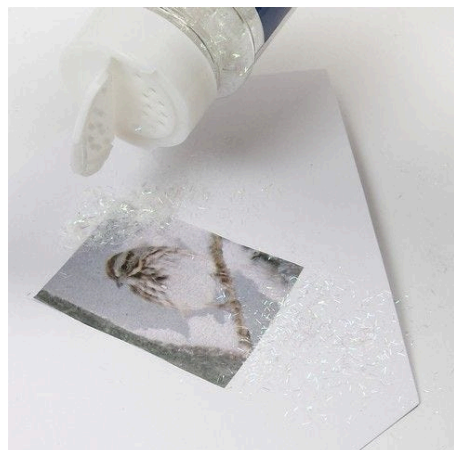

Comment faire

1. Cut out motifs from the decoupage paper. Apply decoupage lacquer onto the cut-outs and attach these onto the punched-out cones.

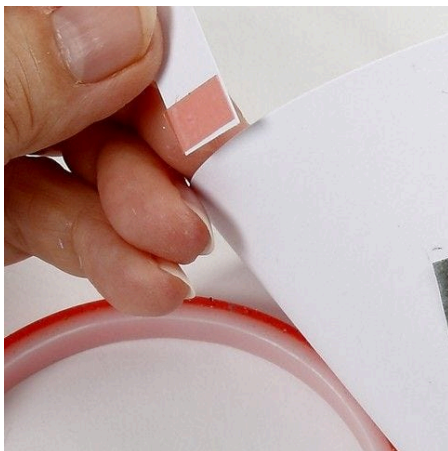

2. Dab some glue onto the design.

3. Sprinkle glitter onto the wet glue.

4. Attach power tape onto the flap of the cone and assemble the cone.

5. Attach the handle with power tape.

6. Thread a piece of natural hemp into the button and attach the button onto the cone as decoration.
