

## Vivi Gade Christmas Hanging Decorations

v12693

Simple Christmas hanging decorations are cut out from Vivi Gade Design paper and card (from the Copenhagen series). They are assembled with double-sided adhesive tape.

### *Comment faire*

**1.** Draw the shapes onto card using the templates and then cut them out. You will need two of each.

**2.** Thread the bell onto the string and make a tassel.

**3.** Place the bell and the tassel between the two cut-out pieces of card and assemble – in pairs – around the string in the middle.
