

Glittery Christmas Hanging Decorations

v12690

The painted Christmas hanging decoration is dipped in Paverpol sculpting medium and covered with a mix of glitter and mini glass beads.

Comment faire

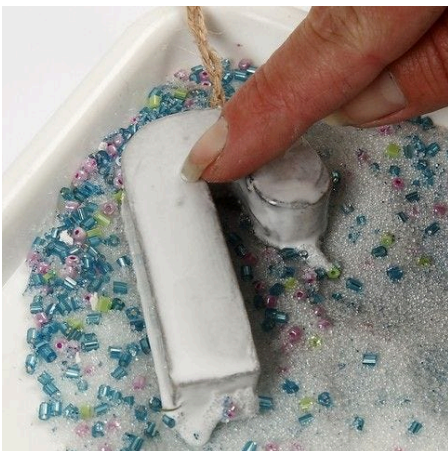

1. Paint the papier-mâché item with Plus Color Craft Paint. Let it dry.

2. Dip the papier-mâché item in Paverpol sculpting medium and let it drip off for approx. 1 minute.

3. Cover the item in a beautiful mix made from mini glass beads, beads and glitter. Use a tray for "breeding" the papier-mâché item.

4. Now the papier-mâché is emerged in the mix in the tray. Press lightly until the item is fully covered in the glitter mix. Let it dry.

5. Cover both sides with the glitter mix.

6. Thread a plastic bead onto the piece of string for hanging.
