

Cones with Feathers

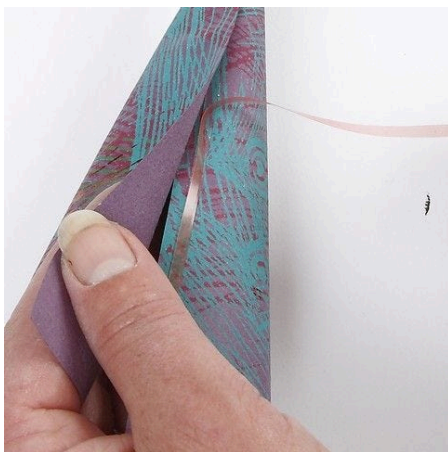

v12683

These cones are folded from handmade paper and decorated with gold ribbon and peacock feathers.

Comment faire

1. Trim the peacock feather and wrap floral wire around the stem of the feather.

2. Fold the cone and assemble it using double-sided adhesive tape. Place the feather at the tip of the cone, making sure it is attached to the tape when assembling the cone.

3. Decorate the cone with gold ribbon attached with double-sided adhesive tape.
