

Papier-Mâché letters with a Metallic Look

v12681

The papier-mâché letters are painted with Precious Metal Paint. Decoupage with napkins or attach metallic holographic paper with double-sided adhesive tape. Then decorate with w Pearl Pen.

Comment faire

1. Paint the papier-mâché letters with Precious Metal Paint.

2. Apply a coat of decoupage lacquer to the letters using a brush. Place the top coloured layer of the 3-layered napkin in the decoupage lacquer and also apply a coat of lacquer on top of the napkin.

3. Cut off the excess napkin when dry.
