

A Christ Pendant with Wooden Beads

v12677

Black wooden beads are threaded onto a piece of beading wire. A Christ pendant and a cross is attached with crimp beads.

Comment faire

1. Attach the beading wire onto the pendant using a crimp bead. Squeeze it flat close to the pendant.

2. Fill the wire with black wooden beads.

3. Close the wire in other loop of the pendant using the same procedure as at the start.

4. Attach a new piece of wire to the lower loop of the pendant and thread on beads. Fasten the cross in the same way with another crimp bead. Cut off the excess wire.
