

## A Flat Glass Bauble with a Reindeer Design

v12670

Die-cut the reindeer from tissue paper. Attach the reindeer to the flat bauble with decoupage lacquer. Seal the tissue paper with decoupage lacquer. Sprinkle glitter inside the bauble.

### *Comment faire*

**1.** Remove the toggle jacket on the top of the bauble.

**2.** Die-cut the reindeer from tissue paper using the Big Shot machine.

**3.** Apply a coat of glass decoupage lacquer onto the flat glass bauble with a brush and attach the design.

**4.** Fold a small paper cone and pour glitter into the bauble through the cone. Put the toggle jacket back onto the bauble and attach a bow.
