

A Fashionable Christmas Tree Candle Holder

v12662

A metal heart and pendants made on a bead as well as pendants made on eye pins with faceted beads and a pendant of Christ are attached to the candle holder. Drop-shaped glass beads threaded onto a piece of silver-plated wire are wrapped around the heart.

Comment faire

1. Make a hanging in the loops on the pendant of Christ from thin silver-plated wire.

2. Put a faceted bead onto a head pin, nip off the end and twist to form a loop.

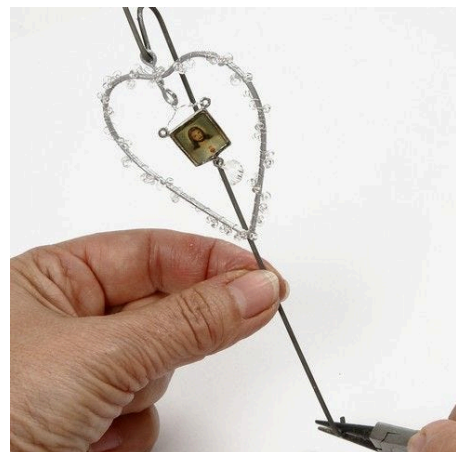

3. Thread small drop-shaped glass beads onto thin silver-plated wire. Wrap it around the heart.

4. Slightly open the loop in the heart and hang the pendant in the loop. Close it again.

5. Put a faceted drop-shaped glass bead on the eye pin and attach this to a metal snowflake by twisting the eye pin to form a loop.

6. Nip off some of the candle holder to a desired length. Slide the heart in place and bend the end of the candle holder to form a loop.

7. Attach the drop-shaped pendant onto the candle holder and close the loop on the candle holder completely.
