

Candle Holders with Fabric and Buttons

v12631

Vivi Gade Design Cotton Fabric is glued onto candle holders with crochet lace borders and buttons.

Comment faire

1. Attach Power Tape to the candle holder at the same width as the width of the fabric.

2. Use pinking shears when cutting the fabric and then attach the fabric onto the candle holder.

3. You may attach a crochet lace border.

4. Sew a piece of thread in the buttons and glue these on.
