Milk Cartons with Gauze Bandage

v12616

Milk cartons covered with gauze bandage, painted with A-Color Acrylic Paint in neon colours and decorated with a black Power Liner permanent marker.

Comment faire

1. Wash the carton and tape it together with masking tape. Moisten the gauze bandage and apply to the milk carton until covered completely. Let it dry.

2. Paint the gauze bandage house with A-Color Acrylic paint in neon colours.

3. Decorate the houses with a black Power Liner permanent marker.
