

A Necklace with Oyster Beads

v12594

Oyster beads, lava and glass beads are put onto head pins and assembled to make a necklace.

Comment faire

1. Put a bead onto a head pin and bend it to one side.

2. Now bend the pin backwards and around round nose pliers to form a loop.

3. Cut off the excess pin.

4. Put on a new head pin and close the loop.

5. Put a new bead onto the new head pin and continue using the same procedure.

6. Attach the beads onto organic metal rings with a round jump ring.
