

## Earrings with Glass Eye Beads

v12584

Glass beads are put onto a head pin which is then nipped off and the end twisted to form a loop. Attached to a French earwire.

### *Comment faire*

**1.** Put the beads onto a head pin.

**2.** Nip off the pin leaving approx. 1cm and twist to form a loop.

**3.** Prior to closing the loop, attach the French earwire.
