

## A Necklace with Trend Ceramic Beads

v12583

Trend ceramic beads are mixed with silver fashion links in a piece of jewellery chain to make a pendant which is attached to a 2mm leather cord.

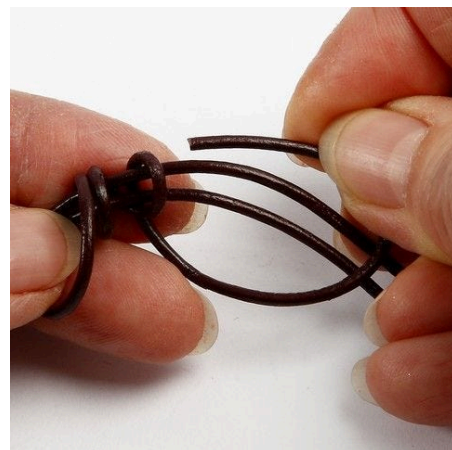

### *Comment faire*

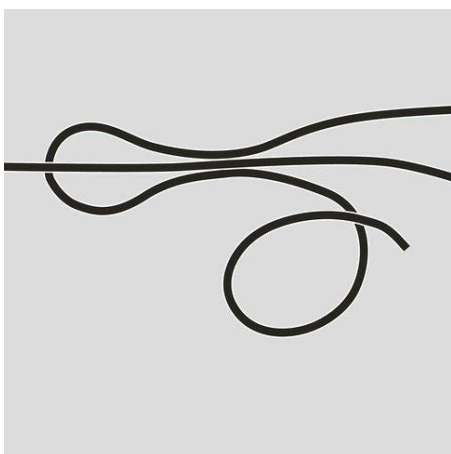

**1.** Thread the beads as shown in the picture onto a 180cm long piece of leather cord.

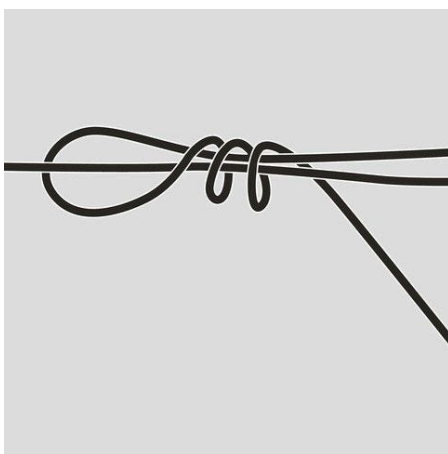

**2.** Assemble beads and fashion links with pieces of jewellery chain and round jump rings in the ring link as you wish.

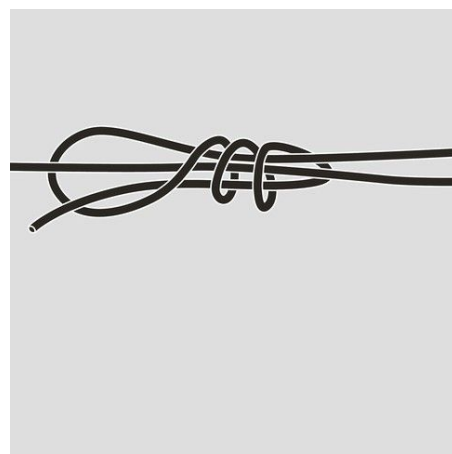

**3.** Close the leather cord with an adjustable knot in each side. See the technique below.

**A.** Technique for an adjustable knot:
