v13019

The shoe bag and the purse are painted with Neon fabric paint and decorated with a black Textile Marker.

### *Comment faire*

**1.** Put a newspaper or a piece of plastic inside the shoe bag to prevent the print smudging onto the side which is not going to be printed on. Please note that the inside of the purse is plastic so no risk of the print smudging onto the other side.

**2.** Use a paint roller or a foam brush for the decorating and apply Neon fabric paint onto the shoe bag and the purse. Let it dry.

**3.** Draw shapes and patterns with the black Textile Marker.

**4.** Fix the shoe bag with an iron for approx. 5 min. at a temperature suitable for cotton. Place a piece of baking paper between the fabric and the iron. NB! The purse does not require fixing!
