**1.** NB! See the following instructions for decorating the T-shirt as well as the cap, using the T-shirt as the starting point. Put a newspaper or a piece of plastic inside the T-shirt, protecting the back in order to avoid smudging. Attach masking tape on the front chest area of the T-shirt, marking the area for the decoration.

**2.** Paint inside the masking tape area with Neon Textil Color fabric paint and a foam brush. Let it dry.

**3.** Dab Textil Color fabric paint on the letter foam stamps and stamp your chosen word(s) on the neon-coloured area.

4. Remove the masking tape. You may outline the frame around the print using a black Textile Marker.

5. Fix the paint with an iron for approx. 5 minutes. Use a cotton setting on the iron and place baking between the fabric and the iron when fixing it.

**A Cap** Paint the cap with Neon Textil Color fabric paint. You decide how big an area you wish to paint. Stamp a text/word on top of the neon-coloured area using letter foam stamps and black Textil Color fabric paint.
