

## A Collage Frame with a Beach Motif from A-Color Allround Medium Glue Lacquer and Sand

v13014

Prime the collage frame with Super Gesso primer. Now make the decoration to go inside the frame from A-Color Allround medium glue lacquer mixed with sand and decorated with natural materials, found on the beach. Finally glue on some wiggle eyes.

### *Comment faire*

**1.** Gather natural materials from the beach: shells, stones, seaweed etc.

**2.** Prime the collage frame with Super Gesso primer.

**3.** Mix sand and A-Color Allround medium glue lacquer in a ratio approx. 2:1.

**4.** Spread the porridge-like paste evenly inside the collage frame using a spoon or a spatula.

**5.** Place the natural materials into the wet paste and let it dry.

**6.** Attach wiggle eyes using glue.
