

A Cardboard Figure with a Cress Tray

v13007

The punched-out cardboard figure with a cress tray has been painted and stamped using A-Color matt paint and small foam rubber stamps. Assemble the cress tray using a stapler and sow cress in the plastic tray supplied.

Comment faire

1. Paint the cardboard figure for the cress tray using A-Color matt paint.

2. Stamp small patterns and designs with the small foam rubber stamps. Use different colours of the A-Color matt paint other than the opaque colour. You may draw a face with a permanent marker.

3. Assemble the punched-out figure with a stapler and sow cress in the supplied plastic tray.
