

A Multi Bag with Felt Letters

v13004

This multi bag is decorated with uppercase and lowercase letters, cut from felt using a template and glued onto the bag. You may make a bag for each letter of the alphabet and use each of these bags for storing children's pictures, scrap and items that have the same first letter as the shopping bag.

Comment faire

1. Print templates from the pdf file and draw onto the felt.

2. Cut out the letters.

3. Attach the letters onto the multi bag using Clear Multi Glue Gel.

4. Fill the finished multi bag with pictures, scrap and items starting with the same letter as the letter attached to the multi bag.
