

## Bracelets with Wooden Beads and Plastic Buttons

v12883

Bracelets made from wooden beads and colourful buttons threaded onto a piece of coloured elastic cord.

### *Comment faire*

**1.** Wooden beads and plastic buttons with a symmetrical pattern are threaded onto a piece of coloured elastic cord. We have four wooden beads in two sizes for each button, i.e. one small wooden bead, two large wooden beads, a small wooden bead and a button in this pattern until the desired length of the bracelet is reached. Finish by tying a knot.
