

## A Christmas Hanging Decoration with Silver Stamping Foil

v12865

These cosy Christmas hanging decorations are made from cinnamon sticks, pine cones and stamping foil. All the items have been tied together and sprinkled with glitter.

### Comment faire

**1.** Cut out hearts and ovals using the template. Cut these out from stamping foil.

**2.** Use the embossing stylus or a darning needle for making holes and patterns in the cut-out hearts and ovals.

**3.** Glue a cut-out design from decoupage paper onto the hearts and ovals.

**4.** Attach and glue cinnamon sticks and pine cones onto the piece of flax twine.

**5.** Halfway along the piece of flax twine, tie on the oval silver stamping foil oval.

**6.** Finish with a piece of bark painted with Plus Color craft paint and decorated with glitter and a wood veneer deer.

7. Apply a small amount of A-color Allround medium glue lacquer with a brush and sprinkle with glitter.
