

## A Lantern with 3D Snow Effect

v12857

This large lantern is decorated with Vivi Gade Design Decoupage paper and then dapped with 3D snow effect.

### *Comment faire*

**1.** Cut out a motif from decoupage paper and attach it to the large lantern using decoupage lacquer.

**2.** Apply 3D snow effect onto the lantern using a spatula.

**3.** Make small dots on the lantern using a foam stencil brush.

**4.** Decorate with a Pearl Pen along the decoupaged motif.
