# A Hanging Decoration with Decoupage

v12848

This papier-mâché hanging decoration is painted with Plus Color craft paint and then decorated with glued-on Vivi Gade Design decoupage paper. Finally it is decorated with gold paint, paper string and a wooden bead.
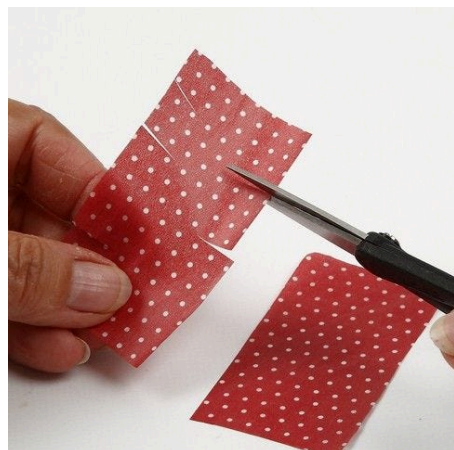

## Comment faire

**1.** Paint the papier-mâché hanging decoration with white Plus Color craft paint.

**2.** Measure the sections on the hanging decoration.

**3.** Cut the decoupage paper to size and make notches in the sides.

**4.** Apply decoupage lacquer to one area at a time.

**5.** Glue on the pieces of paper so the flaps slightly overlap eachother.

**6.** When the glue is dry, trim the sides.

creativ company

**7.** Paint the top and bottom with gold paint.

**8.** Glue on pieces of paper string as a divider and as a string for hanging. Decorate with a red wooden bead.
